LIKE AN ILLUMINATING JEWEL,
The Parisian Macao is the shimmering beacon of the Sands® Resorts Cotai Strip Macao (Sands Resorts). Inspired by the famed "City of Light", the destination comes magically to life with breathtaking authenticity that is evident from the moment you enter the property with its intricate glass domed ceiling 25 metres above. You will readily imagine yourself transported to France at the turn of the 20th Century.

Welcome to The Parisian Macao

From the moment you step into the grand lobby you will be overwhelmed by the grandeur and beauty of The Parisian Macao's French-themed architecture. With approximately 3,000 rooms and suites designed with a contemporary French flair, dazzling views from the Eiffel Tower, world-class meeting venues, luxury shopping, restaurants and bars, spa and health club and a spectacular theatre, complemented by an experienced and outstanding event staff, The Parisian Macao is your ideal destination for leisure and business.
