We partnered with Clean the World to recycle soaps; we have converted all of our lighting to LED; we have installed water flow controllers; and we recycle trash and uniforms as well. So it makes us very proud to have been named as the Luxury Green hotel at this very high profile award ceremony."

World Luxury Hotel Awards are presented to luxury hotels in 55 different categories from around the world at the annual ceremony and these prestigious awards are seen as the pinnacle of recognition for luxury hotels worldwide. Established as a celebration of the ultimate achievement in service excellence, they reward and congratulate hotels that have excelled beyond the normal call of duty. Award

winners set the benchmark for luxury hotels on the global front in achieving recognition for exceptional facilities and unsurpassed service. Nominees are vetted and evaluated by a select global panel of expert consultants situated amongst 144 countries.
