About Cotai Water Jet

Launched in November 2007, Cotai Water Jet is the premium high-speed ferry service between Hong Kong and Macao. As of January 2015, the maritime jet fleet has serviced more than 44 million passengers, and averages approximately 88 daily sailings. Its 14 custom-built catamarans have the capacity to carry more than 400 passengers each and operate at top speeds of approximately 42 knots. Passengers on Cotai Water Jet have a choice of three classes of service, with direct sailings between ports in Macao, Taipa, Hong Kong, Kowloon, and the Hong Kong International Airport providing an important transportation option for both locals and visitors of Macao. The Cotai Water Jet service is managed and operated on behalf of owner Sands China Ltd. by Chu Kong High Speed Ferry Co. Ltd. of Hong Kong.
