Sands China Continues Donation of Dry Food to Caritas Macau *Over 300 food items donated by Sands China team members across all properties*

(Macao, Feb. 20, 2014) – With the Year of the Horse just under way and an echo of prosperity still ringing in everyone’s ears, Sands China Ltd. continued its support of Caritas Macau by initiating a team member food drive at each of its properties for the benefit of less privileged families in Macao.

Dry food collection stations were set up in staff areas at The Venetian® Macao and Sands® Cotai Central Feb. 17 and at Sands® Macao Feb. 18. Generous team members dropped by to offer their donations of such dry food items as rice, noodles, biscuits, canned foods, candy, and beverages. The donations to Caritas Macau will benefit homeless people, elderly and underprivileged families in Macao – those who do not have the means to sustain themselves and their families through adequate nutrition.

“Sands China places a great deal of importance on corporate social responsibility,” commented Melina Leong, Senior Vice President of Public Relations and Community Affairs, Venetian Macau Limited. “This includes an active involvement in the life of the local community. I think the desire to help those in the community who are less fortunate than ourselves is a natural one. Donating dry food items to Caritas Macau this year gives our team members the opportunity to do just that. Sands China also actively promotes a green attitude; team members donating surplus food items means less wastage at home. This way everyone benefits.”

“Caritas Macau is very grateful to Sands China’s efforts to help people in need,” said Paul Pun Chi Meng, Secretary-General of Caritas Macau. “There is a constant need for the distribution of adequate food supplies through Caritas Macau, and Sands China’s efforts are definitely appreciated.”

Caritas Macau is a non-governmental charity organisation that provides a wide spectrum of social services to individuals, families and the community as a whole, helping them to live in a more humane condition economically, morally and spiritually. In February 2013, Sands

China team members donated food items to Caritas Macau's three local food banks over the course of two days for the collection of low-income families and other people in need.
