Sands China Grants Wishes to Children with Life-Threatening Medical Conditions

*Around 50 children and family members from Make-A-Wish® Hong Kong
share a joyful afternoon together*

(Macao, March 25, 2014) – Sands China Ltd. sponsored the party for children of Make-A-Wish® Hong Kong (MAWHK) again this year as part of the company's long-standing effort to support the local community. Children and family members from MAWHK spent a joyful afternoon together Saturday, enjoying a delicious lunch buffet and fantastic entertainment at the Venetian® Macao's Naples ballroom.

Around 50 guests, comprising enthusiastic children with life-threatening medical conditions and their family members, were warmly welcomed by the hotel staff upon their arrival at the hotel, from where they were led to the party venue to enjoy spectacular performances provided by Sands China. Bringing smiles to the children's faces were live music, clowns, a balloon twister, stilt walker, prince and princess.

"It is amazing to provide unforgettable joy to seriously ill children hand-in-hand with companies and organisations who are dedicated to serve those in need in the community," said MAWHK Chairperson Dr. Kevin Lau. "MAWHK is very proud of being a partner with Sands China in making wishes of children come true together."

Being a responsible corporate citizen, Sands China is actively engaged in the Macao community, and bringing fun and warmth to underprivileged families and individuals has been one of the company's key areas of focus. Sands China has been supporting the activities hosted by MAWHK continuously since 2010; aside from the annual parties held at The Venetian Macao in 2010, 2012 and 2014, Sands China has been helping the organisation grant wishes to children through fundraising activities like a Christmas fundraising promotion in 2011 and a Christmas cupcake promotion in 2013. Other activities have included a fun-filled Disney on Ice Christmas party in 2010; inviting children from the foundation to The Venetian Macao Anniversary Concert to enjoy a backstage meet-and-

greet and performances by Sammi Cheng and Show Luo in 2011; inviting children to the thrilling action sports show performed by Nitro Circus; as well as offering two complimentary nights of accommodation in 2013.

Make-A-Wish Hong Kong is the premier wish-granting organization for children in Hong Kong and Macao. It aims to grant wishes to children with life-threatening medical conditions, enriching the human experience with hope, strength and joy. MAWHK celebrated its 15th anniversary in 2013 and will be granting a wish to its 1,500th Wish Child in the near future.
