Sands China Executives Celebrate Glory with Team Members *Team wins big in 7th Macau Table Game Skills Contest*

(Macao, Jan. 6, 2015) – Sands China hosted a celebration luncheon at The Venetian Macao’s North restaurant in December to celebrate the remarkable achievements of Sands China team members who broke all records in the history of the Macau Table Game Skills Contest at the seventh edition of the annual contest.

Team members came in first place in the three main categories (“Chip Picking,” “Card Calculating” and “Baccarat Payout”) as well as finishing first and second in the overall team championship. The competition sees team members from the gaming industry in Macao go head to head to see which staff members have the best table game skills.

Sands China executives in attendance at the celebration luncheon were Cetin Tanisman, Senior Vice President of Casino Operations, Sand China Ltd; Harold Tsakmaklis, Vice President of Casino Operations; and Trevor Hammond, Vice President of Table Games Operations, who came to congratulate the winners on their great achievements. Each winner was presented with a letter of congratulations from Edward Tracy, President and Chief Executive Officer of Sands China Ltd, as well as a food and beverage voucher.

“I want to congratulate our team members for finishing in first place of all three categories in the annual Macau Table Game Skills Contest,” said Cetin Tanisman. “We are very proud that our team members are the most competent gaming professionals in Macao.”

Among the awards won at the contest, Sands China Team A were crowned overall champions and Team B were the first runners up in the team contest. Sands China’s Wong Sam Mao and Leong Io Wa were champions in the “Baccarat Payout” and “Chip Picking” respectively, while Un Wai Kin was the champion in the “Card Calculating” category. Leong also represented the company in the Australasian Championships in Queensland last year after scoring the second highest overall score in roulette and blackjack in the Sands China Dealer Skills Championships held in April, 2014.

Held on Nov. 19 at the Macao Federation of Trade Unions Workers Stadium, the Macau Table Game Skills Contest recognizes the professional skills of those working in gaming and honours the best in the industry. The Sands China contingent was up against some of the best dealers in Macao but swept to victory, breaking all previous records in the history of the competition.
