## SEASONAL SELECTIONS

Bold and bright, floral and fabulous – it's time for spring style!

## PENHALIGON'S PORTRAITS FRAGRANCES

As floral aromas waft from fresh spring flowers, there's no better time to adopt a new scent, and Penhaligon's has just the ticket. The British perfume house has just added two new members to its Portraits Collection. The intriguingly named The Ingenue Cousin Flora is an effusive, ebullient and invigorating fragrance that is citrus fresh with sophisticated woody notes and comforting elements of musk. Alternatively, why not try The Impudent Cousin Matthew? It blends mandarin with rich patchouli in a mix that is sparkling and fresh, vibrant and modern. These are scents to be savoured.
