BOTTEGA VENETA OPENS A NEW CONCEPT STORE AT SHOPPES AT FOUR SEASONS IN MACAU, CHINA

Bottega Veneta introduces a new store at Shoppes at Four Seasons in Macau, featuring a unique concept under the artistic direction of creative director Matthieu Blazy.

The store's design features wall structures, shelving and tables designed in a puzzle-like form cut from single sheets of wood. It is the first store in Macau to apply this new store concept. Pieces and materials interlock to form an intreccio inspired appearance with an approach that nods to the house's handwoven bags, realized without stitching. The interlocking structures do not require nails nor screws to be assembled.

The store presents a conversation surrounding Italian craftsmanship, excellence and design. It is yet another representation of Craft in Motion, a concept integral to creative director Matthieu Blazy.

Opening on January 9, 2024, the 1,507 sq. ft. store offers extensive product categories including leather goods, jewelry, accessories, ready-to-wear, shoes and eyewear, along with exclusive products for Lunar New Year 2024.

Bottega Veneta now has a total of four retail stores in Macau.
