

Shoppes at Londoner Honoured as 'RLI Most Innovative Retail & Tourism Destination 2022'

British-themed mall wins major accolade in prestigious international industry awards

(Macao, Nov. 9, 2022) – Shoppes at Londoner, the upscale British-style mall within The Londoner® Macao, has been honoured as the 'Most Innovative Retail & Tourism Destination 2022' at the prestigious 'Global RLI Awards 2022'. The grand award ceremony was held in Riyadh, Saudi Arabia on Nov. 2, allowing for exposure of retail offerings in Macao to industry leaders and brands not yet in Asia on the international stage.

The criteria for this award are to acknowledge the most outstanding contribution to the retail and tourism sector over the past year and reward a project that has created an extraordinary experience for tourists and tenants alike.

Rebranded and expanded from the previous Shoppes at Cotai Central, Shoppes at Londoner recreates an authentic London street scene and interprets The Londoner Macao's vision of 'Bringing the Best of London to Macao'. Guests can explore more than 150 world-renowned brands across 600,000 square feet of retail space, including top luxury brands, international fashion brands, family fun boutiques and innovative entertainment options. The themed retail complex also innovatively combines shopping experience with visitor attraction by featuring meticulously designed details and photogenic spots, such as the Victorian-era feature elevator and replicas of Greater London Blue Plaques. Joining Shoppes at Venetian, Shoppes at Four Seasons and Shoppes at Parisian, Shoppes at Londoner reaffirms Sands Shoppes Macao's pledge to create one-of-a-kind, truly immersive experience and further optimises its strong retail portfolio.

David Sylvester, Executive Vice President of Global Retail, Las Vegas Sands Corp., said: "We are thrilled to have won this much sought-after accolade, which recognises Shoppes at Londoner as one of the most visionary and innovative retail and leisure concepts from across the globe, and validates Sands' constant efforts to bring the best luxury retail experiences to Macao whilst creating unique experiences for our guests across the integrated resorts. It

further establishes our commitment to shining an international spotlight on Macao and making it a premium global retail destination that shoppers aspire to visit.”

As the retail industry’s premier awards event, the Global RLI Awards is held by Retail & Leisure International, the only global magazine to cover both the retail and leisure sectors. The Global RLI Awards 2022 acknowledges exceptional projects in 20 different categories. The judging panel is a group of leading industry experts who review eligible submissions and score them confidentially and inform the RLI Awards team. Sands Shoppes Macao’s previous wins include ‘RLI International Shopping Center 2017’ for Shoppes at Parisian and ‘RLI Shopping Centre Renovation 2014’ for Shoppes at Four Seasons.
