Occupying a grand space of 4,020 square feet, the Four Seasons Macao boutique embodies the innovative artistry and superlative legacy of Tiffany & Co. against a backdrop of luxury. Every element, from the fluid glass exteriors to the exquisitely designed interiors, reflects the brand's storied past and its timeless appeal.

The Tiffany Diamond Façade celebrates light because it brings joy. Crystal prisms create a kinetic sparkle with colorful rainbow hints reflecting the world passing by and endless reflections create another dimension as we look into the infinite depth. Celebrating light the same way real diamonds do.
