Sands China Donates Over MOP 400,000 in Funds and Prizes to Support Caritas Macau Bazaar and Charity Run

150 Sands Cares Ambassadors participate, sharing compassion to benefit the community

(Macao, Nov. 10, 2026) – Sands China recently donated funds and gifts valued at over MOP 400,000 to Caritas Macau, providing full support for the **Charity Run of Caritas Macau 2026** and the **57th Caritas Macau Charity Bazaar**. This marks the 23rd consecutive year that the company has supported the organization's social services through such contributions. Furthermore, 150 Sands Cares Ambassador community volunteers actively participated in both events, engaging with the public and demonstrating care through their actions, hand-in-hand with the community.

For many years, Sands China has actively given back to the community through the Sands Cares corporate citizenship programme. By partnering with local charitable organizations to support those in need, the company remains committed to fostering an inclusive society.

Supporting the Caritas Macau Charity Bazaar: Spreading Joy and Care Together

The opening ceremony for this year's Caritas Macau Charity Bazaar took place Saturday at the Nam Van Lake Nautical Centre. Representing Sands China Ltd., senior vice president of human resources Paulo Cheong attended the event and presented a donation cheque for MOP 200,000 to Caritas Macau, which was accepted by its secretary-general Paul Pun Chi Meng on behalf of the organization. The contribution is intended to support Caritas Macau's ongoing, diverse community services, which benefit numerous individuals and families in need.

In line with the event's theme, "Passing on Care, Embracing the Future," Sands China mobilized its Sands Cares Ambassadors and their family members to host a game booth at the bazaar. They engaged with local residents and visitors, sharing a weekend filled with laughter and compassion. As the first integrated resort operator to host a game booth at the Caritas Macau Charity Bazaar, Sands China has supported the event since 2011. This year marks the company's 16th consecutive year of participation in this annual charitable initiative,

standing alongside the Macao community to ensure the spirit of care continues to be passed from one generation to the next.

In addition to monetary donations, Sands China also sponsored a variety of prizes—valued at over MOP 100,000—for the booth's games. These included hotel stays at The Parisian® Macao, tickets to the integrated resort's Eiffel Tower Observation Deck, and admission to teamLab SuperNature Macao at The Venetian® Macao. All proceeds raised from the booth's activities are being donated to Caritas Macau to support its community services.

Supporting the Caritas Macau Charity Run: Coming Together for a Good Cause

Sands China is a steadfast supporter of various charitable initiatives organized by Caritas Macau. In October, the company donated MOP 100,000 to the 2026 Caritas Macau Charity Run, marking its 10th consecutive year of backing this meaningful event. During the cheque presentation ceremony, Catherine Kong, vice president of corporate communications and community affairs for Sands China Ltd., presented the donation cheque to Paul Pun Chi Meng, reaffirming the company's long-standing commitment to Caritas Macau's philanthropic endeavours.

Furthermore, Sands China organized a team of staff members to participate in the Charity Run's 5K and 10K races on Oct. 11, demonstrating their personal commitment to the cause while promoting healthy living and community inclusion. Funds raised through the Charity Run will support a range of community services under Caritas Macau—including the "We Connect" in-home elderly care service, the Caritas Clinic, and the "Affectionate Cake" and "Delightful Kitchen" social enterprises—ensuring that those in need across Macao receive the essential support they need.

Dr. Wilfred Wong, executive vice chairman of Sands China Ltd., said: "Caring for the vulnerable and looking out for one another are the essential cornerstones of an inclusive society. For 23 years, Sands China has stood side-by-side with Caritas Macau, leveraging their deep-rooted community experience and extensive service network to deliver resources and care more effectively and broadly to those in need across Macao. This year, we continue our financial support for their charity bazaar and charity run, while also mobilizing our Sands Cares Ambassador volunteers to participate—working together to extend care to every corner of the community. We express our heartfelt gratitude to Caritas Macau for the hope and support they have provided to those in need over the years, and for their contributions toward building a caring and inclusive society. Moving forward, Sands China remains committed to the 'Sands Cares' spirit of community service. We will continue to work hand-in-hand with

Caritas Macau and other local social service organizations, pooling positive energy to build a warmer and better community together."

Paul Pun Chi Meng said: "I would like to express my heartfelt gratitude to Sands China for its long-standing support of Caritas Macau's charitable initiatives, and for working alongside us to care for those in need within our community. As Caritas Macau celebrates its 75th anniversary this year, looking back on our journey of service, the enduring trust and support we have received from Sands China are truly invaluable. Sands China has not only provided financial contributions to support our various charitable services but has also actively mobilized its Sands Cares Ambassadors to participate in volunteer work and community activities—delivering care and warmth to vulnerable groups through tangible action. This steadfast sense of social responsibility, combined with a deep commitment to the well-being of the community, perfectly exemplifies the spirit of corporate philanthropy. The funds raised by Sands China this year—through its charity run and bazaar—provide a vital boost to the development of our services. On behalf of Caritas Macau, I extend my sincere thanks to Sands China and all the Sands Cares Ambassadors. Thank you for walking alongside us and for bringing greater positive energy and hope to our society."

Since 2004, Sands China has consistently supported the development of services provided by Caritas Macau, marking 23 consecutive years of financial contributions toward its operations and community projects. Beyond its annual donations, the company maintains close collaborations with local charitable organizations such as Caritas Macau to address community needs through a variety of initiatives. This year, Sands China provided 5,000 food kits to those served by Caritas Macau, helping to alleviate the cost-of-living pressures faced by families. Furthermore, in collaboration with the Sands China food and beverage team and the Health Bureau of the Macao SAR Government, Sands China developed healthy recipes based on the ingredients included in the food kits. These recipes were printed on cards and distributed alongside the food, promoting the concept of healthy eating and fully aligning with the "Healthy Community" initiative and the "Healthy Macao Blueprint" championed by the Macao SAR government.
