Press Release

Sands China Supports Tung Sin Tong's Annual Fundraising Campaign for 23rd Consecutive Year

Contributing to annual charity drive and promoting community care services

(Macao, Nov. 11, 2026) – Sands China Ltd. held a cheque presentation ceremony at The Venetian® Macao Wednesday, donating MOP 700,000 to the Macau Tung Sin Tong Charitable Society in support of its annual fundraising campaign. Sands China has participated in and backed this charitable initiative for 23 consecutive years, helping Tung Sin Tong continue its variety of public welfare and charitable services for the benefit of the community.

Beyond supporting Tung Sin Tong's annual fundraising campaign, Sands China supports the organisation's social service initiatives through diverse forms of collaboration. This July, for the third consecutive year, Sands China invited the Tung Sin Tong Pharmacy to participate in Sands China's signature annual shopping event, the Sands Shopping Carnival. This provided a platform to promote local Traditional Chinese Medicine-based wellness products, while deepening public understanding of the services offered by Tung Sin Tong.

Furthermore, Sands China procured a total of 8,000 wellness soup packs from the Tung Sin Tong Pharmacy, in support of its Sands Cares Food Kit Build events held in 2025 and 2026. The soup packs were distributed together with food kits to individuals in need—an initiative that fosters community care while promoting healthy eating habits. Through these concrete actions, Sands China supports the "Healthy Community" initiative and the "Healthy Macao Blueprint" championed by the Macao SAR government.

Dr. Wilfred Wong, executive vice chairman of Sands China Ltd., said: "Sands China has always been committed to giving back to society, deepening its roots in Macao and serving the local community. For 23 years, we have supported the Tung Sin Tong Charitable Society's annual fundraising campaign and collaborated on various philanthropic initiatives to provide essential assistance to vulnerable groups and those in need. With a history spanning 134 years, Tung Sin Tong has remained steadfast in its mission to serve those facing hardship, offering a wide range of charitable services—including free medical care, medicine, and education—earning the organisation widespread recognition and respect from all sectors of society. Moving forward, Sands China will continue to uphold the 'Sands Cares' spirit, working

closely with our community partners to contribute to the development of a healthier and more harmonious community."

Dr. Wong attended Wednesday's cheque presentation ceremony with Paulo Cheong, Sands China's senior vice president of human resources; Catherine Kong, the company's vice president of corporate communications and community affairs; and Genevieve Ho, director of community affairs. Together, they presented a ceremonial donation cheque to Tung Sin Tong's José Chui Sai Peng, chairman of its board of directors; along with its directors Lei Alberto, Terry Sio and Jeff Chan.

This donation is part of the Sands Cares corporate citizenship program, an initiative of Sands China's parent company.
